

SUMMER ASSIGNMENT FOR IB RISING JUNIORS AND AP FRENCH LANGUAGE STUDENTS

Felicitations on your decision to take AP FRENCH LANGUAGE during the 2008-2009 school year.

As part of your preparation for this class, you are expected to do some preparation over the summer.

I am asking that you purchase the book AP FRENCH LANGUAGE by Ellen Knauer the ISBN number is 07386-0102-0. You can order this from Amazon.com or visit their website at www.rea.com. It costs around \$20.00 and will prove to be a valuable tool next school year. Complete the first 5 sections of the review in Chapter 2 pp 27-77. (don't panic, they are short!) Take notes in a notebook. Do one or two sections per week.

Go on-line and check out CONJUEGEMOS. Our school number is 2659. Practice the verb drills in all tenses. E-mail your results to acurrell@pasco.k12.fl.us

READ AN ARTICLE FROM A FRENCH NEWSPAPER OR MAGAZINE AND SUMMARIZE THE ARTICLE.

Check out: Les clés de l'actualité junior-Les actualités (Easy to read, and you can add it to your favorites to read every day!) Also, Le Journal France-Amerique, L'actualité, France Press, Le Figaro, Le Monde, Elle.

Watch movies in French! You can find French movies at your local video store in the Foreign section or get with someone who has Netflix. You can pick your favorite movies on DVD and change them to the French language. This is very good practice to get used to hearing spoken French. Write a movie review in French.

Before returning to school in August, call Madame Currelly and speak to her in French about how your summer is going. You must leave a message in French if I am not at home. (727-938-1691) Remember to use the Passé Composé and Imparfait to describe what you did. Messages must be received by August 17.

Why not e-mail, text, or phone your friends from class in French!

These assignments are due on the 1st week of school in August.
